

Mr. Brooks,

Thank you so much for responding so quickly. My son was on Governor Foster's staff and then was with Suzanne Haik-Terrell with the Department of Elections. I'm learning why he liked working in government so much. There are some VERY good people working there. I am enclosing a copy of the death certificate for Michael Stephenson Bell as per my online request.
(SS# 437-27-1117)

Thank You Very Much
John Wm. Bell
